

CLAMM + Balaclava + Krimewave

Event - CLAMM + Balaclava + Krimewave 📍

When	Fri, 17. July 2026, 20:30 h
Category	Live Music in Rotterdam

Description

Australian punk trio CLAMM come to Rotown with a raw, energetic sound and direct socially conscious lyrics. Their latest work pushes the band into new territory, adding elements such as synths and horns while keeping the sharp, heavy core that made them one of the standout names in the new wave of Australian punk.

The band has previously shared stages with The Chats, Amyl and The Sniffers and Tropical Fuck Storm, and appeared at Left of the Dial in 2022. Their songs often touch on political systems, mental health and life as a young generation trying to navigate a chaotic world.

Support comes from American hardcore punk band Balaclava, known for a dark and chaotic mix of hardcore, crust and metal influences. Krimewave also join the bill, featuring members from Forbidden Wizards, Real Farmer, Bombstrap and Rats on Rafts. Expect a loud night with plenty of moshpit pressure.
