Night Swimming

Event - Night Swimming ↻

When	Thu, 8. October 2026, 20:30 h
Category	Live Music in Rotterdam

Description

Night Swimming brings dreamy melodies, subtle triphop grooves and touches of shoegaze to Rotown. The five-piece band from Bath creates layered, atmospheric music that moves between dream pop, indie and darker electronic textures.

After making an impression at Left of the Dial in 2025, the group continued building its international profile. Recent EP Melting, Sometimes Bleeding combines expansive instrumentation with intimate vocals and an emotional intensity that gradually pulls the listener deeper into each song.

Fans of Cocteau Twins, Slowdive, Warpaint and Daughter may recognise familiar influences, although Night Swimming shapes them into a sound of its own. Expect an immersive evening of hazy guitars, shadowy rhythms and cinematic melodies.
