Centrepiece Colourised

Event - Centrepiece Colourised ↻

When	Thu, 26. November 2026, 21:00 h
Category	Live Music in Rotterdam

Description

Utrecht five-piece Centrepiece Colourised comes to V11 with psychedelic riffs, hypnotic grooves and an unruly rush of musical ideas. Their sound brings psychedelic rock, krautrock, punk and rough-edged guitars together in a strange and colourful universe of their own.

The band presents music from debut album Entering Yur Taghär, released in June 2026. Its adventurous approach may appeal to listeners of Frankie and the Witch Fingers, Butthole Surfers, Comets on Fire, Meatbodies and Hawkwind, with traces of the restless creativity associated with King Gizzard & the Lizard Wizard and the rhythmic pull of Altın Gün.

Centrepiece Colourised has previously appeared in Rotterdam at Suspicious Package and The Official Unofficial. This concert is organised by Rotown and V11 and has standing room only.
