## Description

DoelenEnsemble presents three intimate musical experiences at Buitenplaats Rozenlust and a salt crystal chamber on Westzeedijk. HortusConcerts combines contemporary chamber music, early jazz, a world premiere, visual art, storytelling and meditative sound.

Resonance in Salt

Two percussionists create a meditative sound bath with singing bowls inside a salt crystal chamber. Visitors can experience the concert while seated or reclining as the mineral walls amplify the instruments' harmonic overtones.

**Date:** Saturday 26 September 2026
**Times:** Multiple 30-minute sessions between 12:00 and 17:00
**Location:** Westzeedijk 110C, Rotterdam
**Tickets:** €20 regular, €5 students

From Creation of the World to World Premiere

Darius Milhaud's La création du monde brings classical music and early jazz together. The second half features the world premiere of a new work by Rotterdam composer Hans Koolmees, written for double bass, string quartet, saxophone and piano.

**Date:** Saturday 26 September 2026
**Time:** 20:00 to 21:30
**Location:** Buitenplaats Rozenlust, Parklaan 11, Rotterdam
**Tickets:** €34 regular, €10 students

Mondrian's Prophetic Sound

Storyteller Vincent Bijlo explores Piet Mondrian’s ideas about art, music and the future of electronic sound. Visual art, narration and contemporary chamber music come together in a performance inspired by Mondrian’s life and artistic philosophy.

**Date:** Sunday 27 September 2026
**Time:** 15:00 to 16:30
**Location:** Buitenplaats Rozenlust, Parklaan 11, Rotterdam
**Tickets:** €34 regular, €10 students
