Description

Cleveland metal band Midnight comes to Baroeg as part of the 15th Anniversary of Satanic Royalty tour.

Since 2002, Midnight has built a reputation with a filthy collision of rock 'n' roll, black metal and thrash. The band's sound is driven by relentless rhythms, abrasive riffs and the raw energy of punk and first-wave black metal.

Their intense live shows have helped make Midnight one of the leading names in the modern wave of blackened speed metal. Expect a loud, fast and deliberately unruly performance built around heavy hooks and pure momentum.

Phantom Corporation joins the bill as support.

Description

Baroeg is a legendary subcultural pop venue in Rotterdam, known as the city's home base for hard and alternative music. Since the early 1980s it has been the go-to spot for metal, punk, hardcore, rock, gothic, industrial, psychobilly and other underground styles. What started as an open youth centre grew into a full pop podium with a loyal community and its own annual festival, Baroeg Open Air.

The venue sits in the Lombardijen neighbourhood by the Spinozapark and has an intimate club vibe: a compact hall with a low stage, solid sound system and a bar where artists and visitors mingle. For many underground and alternative fans in Rotterdam, Baroeg is less a random venue and more a second living room.
