Event - Mushroomhead + Mountain Eye 🌐

When	Wed, 12. August 2026, 19:00 h
Category	Live Music in Rotterdam

Description

Masked American metal band Mushroomhead comes to Baroeg during its European summer tour, combining festival appearances with a limited number of more intimate club shows.

Founded in Cleveland in 1993, Mushroomhead emerged from the underground nu-metal scene and has since released nine albums. Its music brings together nu metal, industrial metal and a wide range of heavier influences, presented through theatrical costumes, masks and an elaborate live production.

The smaller setting at Baroeg offers a rare opportunity to experience the band's visual spectacle and intense performance at close range.

Dutch alternative metal band Mountain Eye opens the evening.

Description

Baroeg is a legendary subcultural pop venue in Rotterdam, known as the city's home base for hard and alternative music. Since the early 1980s it has been the go-to spot for metal, punk, hardcore, rock, gothic, industrial, psychobilly and other underground styles. What started as an open youth centre grew into a full pop podium with a loyal community and its own annual festival, Baroeg Open Air.

The venue sits in the Lombardijen neighbourhood by the Spinozapark and has an intimate club vibe: a compact hall with a low stage, solid sound system and a bar where artists and visitors mingle. For many underground and alternative fans in Rotterdam, Baroeg is less a random venue and more a second living room.
