Description

Tame Impala returns to Rotterdam for two arena shows as part of the Deadbeat EU/UK Tour. Kevin Parker’s psychedelic pop project takes over Rotterdam Ahoy on 7 and 8 June 2027, with British indie rock duo Wet Leg joining both nights as special guest.

The tour follows Deadbeat, Tame Impala’s fifth studio album, released in October 2025. The record pushes Parker’s psychedelic sound further towards electronic and club music, while retaining the meticulous production and melodic songwriting that made Tame Impala one of the biggest alternative acts of its generation.

Recent tracks include Loser, which reached number one on Spotify’s global chart, while Dracula (JENNIE Remix) reached the Billboard Hot 100 top five. End of Summer also earned Tame Impala a Grammy Award for Best Dance/Electronic Recording.

Parker writes, performs, produces and mixes Tame Impala’s studio music himself and has also collaborated with artists including Dua Lipa, The Weeknd, SZA, Lady Gaga and Gorillaz.
