Description

Dutch singer Dorona Alberti celebrates more than twenty years on stage with 20 Years & More... Unplugged, an intimate theatre concert at LantarenVenster.

Over the past two decades, Alberti has worked across jazz, soul, pop and theatre. She performed with the Metropole Orkest in The Music from James Bond, spent a large part of her career with Gare du Nord and joined André Rieu as a special guest on his 2024 world tour.

For this anniversary show, Alberti returns to songs that have shaped her career while also presenting new interpretations. Accompanied by a small band, the focus is on her voice, the stories behind the music and the interplay between the musicians.

Expect a personal concert combining soulful grooves, theatrical flair and songs drawn from different chapters of Alberti’s career.
