Event - BLUAI ↗

When	Thu, 25. March 2027, 20:30 h
Category	Live Music in Rotterdam

Description

Antwerp trio BLUAI comes to Rotown with its mix of indie folk, alternative pop and understated guitar music.

Catherine, Mo and Caitlin have built a strong reputation in Belgium over the past few years, appearing at festivals including Rock Werchter, Pukkelpop and Cactus Festival before taking their music beyond the country with shows at Lowlands and Live at Leeds. Their sound sits somewhere between intimate indie folk and melodic alternative pop.

After debut album Save It For Later, BLUAI is preparing a new album for release on 30 October 2026. The Rotterdam show follows in spring 2027 and brings the band back to the Netherlands with that new material in tow.

The trio had a particularly strong breakthrough year in 2022, winning Humo's Rock Rally, De Nieuwe Lichting and Sound Track within the same year. Fans of Big Thief, Pinegrove and HAIM should find plenty to enjoy here.
