

KiDDiERAVES Rotterdam

Event - KiDDiERAVES Rotterdam 📍

When	Sun, 8. November 2026
Category	Electronic Dance Music in Rotterdam

Description

KiDDiERAVES takes over Maassilo for a daytime rave where children and their families can experience the atmosphere of a real club together.

Primarily aimed at children roughly aged 2 to 10, KiDDiERAVES combines DJs, music, light shows, visuals and dance-floor energy in a format adapted to a younger audience. Rather than a traditional children's disco, the idea is that kids take to the dance floor together with parents, grandparents and other family members.

The Rotterdam edition has a **K-pop theme**, with Teddy Turbo and the K-pop crew forming part of the programme. The event also includes the 30-minute KiDDiERAVES LIVE show, combining music with dancers, performers, synchronised visuals, balloon drops, confetti and other stage effects.

Although the event is designed around children, expect a lively club environment with flashing lights, bass and crowds near the main stage. The organisers recommend hearing protection for toddlers, younger children and anyone sensitive to sound.

Children must attend with an adult, while adults attend as part of a family group. Food and drinks will be available during the event.

Description

The Maassilo, located in Rotterdam's bustling Maashaven area, is one of the city's most distinctive and dynamic venues. Originally built in 1910 as a grain silo, the venue's industrial heritage is immediately apparent in its raw, concrete aesthetic. This historical site has been transformed into a vibrant cultural hub that plays host to a wide range of events, from concerts and club nights to corporate functions and private gatherings.
