Event - Berzerk IV

When	Sat, 17. October 2026, 22:00 h
Category	Live Music in Rotterdam

Description

Berzerk takes over Baroeg for an overnight dive into some of the hardest corners of electronic music, with speedcore, terror, breakcore, hardcore, industrial and tekno running until sunrise.

The international line-up brings together live acts and DJs from Germany, France, Switzerland, Poland, Belgium and the Netherlands. Noize Creator brings live breakcore from Germany, while France's Ingler moves through industrial hardcore, tekno and terror. Swiss artist Messias and Germany's Qualkommando push the tempo further into speedcore and terror, with live sets also coming from Leeloo Hardcoholics, Occulkot and the Belgian pairing Kobe vs Lithium.

Dutch artist Martha ZMK adds tekno and hard techno to the night, while Weeknie Soundsystem supplies hardcore support. With most of the programme performed live, Berzerk IV is firmly aimed at the extreme end of Rotterdam's underground electronic scene.
