Event - Sathanas In Gloriam: Sabathan + Cirith Gorgor + Reinkaos [v](#)

When	Fri, 23. October 2026, 19:00 h
Category	Live Music in Rotterdam

Description

Sathanas In Gloriam returns to Baroeg with an old-school black metal line-up built around Sabathan, Cirith Gorgor and Dissection tribute Reinkaos.

Belgian band Sabathan replaces original headliner Unholy Craft and brings a direct connection to the formative years of European black metal. Frontman Lord Sabathan previously sang with Enthroned during the 1990s, and his current band revisits the speed, aggression and atmosphere of that era.

Dutch veterans Cirith Gorgor join with a set focused on their first two albums. Original vocalist Nimroth will make a guest appearance, bringing the performance particularly close to the band's early years on the Dutch black metal circuit.

Opening the evening is Reinkaos, a tribute to Swedish black metal band Dissection. The group consists of experienced Dutch metal musicians and performs material from albums including The Somberlain, Storm of the Light's Bane and Reinkaos. Their appearance also connects back to Dissection's own Baroeg shows in 1996 and 2004.

Description

Baroeg is a legendary subcultural pop venue in Rotterdam, known as the city's home base for hard and alternative music. Since the early 1980s it has been the go-to spot for metal, punk, hardcore, rock, gothic, industrial, psychobilly and other underground styles. What started as an open youth centre grew into a full pop podium with a loyal community and its own annual festival, Baroeg Open Air.

The venue sits in the Lombardijen neighbourhood by the Spinozapark and has an intimate club vibe: a compact hall with a low stage, solid sound system and a bar where artists and visitors mingle. For many underground and alternative fans in Rotterdam, Baroeg is less a random venue and more a second living room.
