Description

Brighton garage rock band The Wytches are heading to Rotown in Rotterdam on Friday 12 February 2027. Expect a loud, dark and energetic night of psychedelic rock, grunge and Black Sabbath-inspired doom.

Known for their raw, distorted guitars and haunting vocals, The Wytches combine the fuzz of 1960s psychedelia with the heavier sounds of 1990s grunge. Their music moves between eerie, atmospheric passages and explosive bursts of garage rock, making their live performances particularly intense.

The four-piece return to Rotterdam with material from their latest album, Talking Machine, alongside the chaotic energy of their 2026 single Wastey Bois. The band previously impressed audiences at Rotterdam's Left of the Dial festival in 2024, and their upcoming Rotown show promises another powerful performance.

Fans of Fuzz, The Mystery Lights and Wax Head should feel right at home.
