## Description

**German deathcore band Mental Cruelty return to Baroeg in Rotterdam on Friday 27 November 2026 for an evening of devastating breakdowns, symphonic black metal influences and extreme vocals. Joining them are American blackened deathcore outfit Ov Sulfur, Belarusian brutal death metal band Extermination Dismemberment and German newcomers Sun Eater.**

Mental Cruelty first performed at Baroeg in 2019, when the band had only recently released its debut album. Since then, they have become a prominent name in the international deathcore scene, combining crushing guitar riffs and blast beats with atmospheric orchestral arrangements. Their fourth album, Zwielicht, released through Century Media Records in 2023, marked a further development towards symphonic blackened deathcore. Fronted by vocalist Lukas Nicolai, the band continues to explore heavier and more atmospheric territory.

Three bands joining Mental Cruelty

From Las Vegas, Ov Sulfur bring their own combination of blackened deathcore and symphonic metal. Their second album, Endless, released in early 2026, builds on the band's aggressive sound with orchestral elements, dark melodies and intense vocal performances.

Extermination Dismemberment return to Baroeg after previously performing at the venue in 2019 alongside Waking The Cadaver, Distant and Korpse. Hailing from Minsk, Belarus, the band are known for their uncompromising slamming brutal death metal, featuring guttural vocals, crushing breakdowns and relentlessly heavy compositions.

Completing the line-up are Sun Eater, a German deathcore band with a connection to the evening's headliners. Mental Cruelty vocalist Lukas Nicolai previously fronted Sun Eater, who welcomed Dutch vocalist Sten Govers in 2026. Their debut album, Death Crown, delivers a modern deathcore sound built around powerful riffs, technical musicianship and aggressive vocals.

With four international bands representing different approaches to extreme metal, this concert promises an intense evening for fans of deathcore, brutal death metal and symphonic heaviness.

## Description

Baroeg is a legendary subcultural pop venue in Rotterdam, known as the city’s home base for hard and alternative music. Since the early 1980s it has been the go-to spot for metal, punk, hardcore, rock, gothic, industrial, psychobilly and other underground styles. What started as an open youth centre grew into a full pop podium with a loyal community and its own annual festival, Baroeg Open Air.

The venue sits in the Lombardijen neighbourhood by the Spinozapark and has an intimate club vibe: a compact hall with a low stage, solid sound system and a bar where artists and visitors mingle. For many underground and alternative fans in Rotterdam, Baroeg is less a random venue and more a second living room.
