Description

Calling all coffee lovers! Rotterdam Coffee Fest returns to de Doelen on Saturday 7 and Sunday 8 November 2026 for a weekend of specialty coffee, tastings, workshops and barista competitions. Whether you're a dedicated coffee enthusiast or simply curious about what goes into a great cup, this festival brings Rotterdam's coffee community together under one roof.

Visitors can explore the Roasters Village, discover specialty coffee brands and taste beans from different origins and roasters. The programme also features talks, demonstrations and hands-on workshops covering everything from professional coffee tasting to latte art and brewing techniques.

What to expect

Saturday focuses partly on the professional side of the coffee industry, although everyone is welcome. Highlights include the preliminary rounds of the Dutch Latte Art Championships, where talented baristas compete to create intricate designs using steamed milk.

On Sunday, the Dutch Cup Tasters Championship puts participants' senses to the test as they attempt to identify subtle differences between coffees. Visitors can also enjoy cupping sessions, meet coffee professionals and discover new brewing equipment and techniques.

Rotterdam Coffee Fest includes a wider programme of events across the city from 5 to 8 November, with the main festival taking place at de Doelen over the weekend.
