Take a thirty-minute musical break at de Doelen in Rotterdam on Wednesday 25 November 2026. Talent Break, organised in collaboration with Codarts Rotterdam, offers an affordable lunchtime concert introducing audiences to the next generation of classical musicians.

During the Talent Break series, students from Codarts, Rotterdam's internationally recognised conservatoire, perform in an intimate concert setting. These short performances allow young musicians to gain valuable stage experience while giving audiences the opportunity to discover new talent.

Each edition presents a different programme, offering a fresh musical experience for visitors. The specific performers and repertoire for 25 November have not yet been announced.

Whether you're working nearby, visiting the city centre or simply looking for a relaxing break during the day, Talent Break is an accessible introduction to live classical music.
