Description

Irish band Basht. return to Rotterdam for a show at Rotown on Monday 15 March 2027, following their appearance at Left of the Dial in 2025. Their sound brings together gritty alternative rock, pulsing post-punk and melodic indie-rock choruses.

Frontman Jack Leavey’s introspective vocals lead the band between restrained, darker passages and explosive guitar bursts. Their debut album Poor Advice, released in October 2026, develops that mix further. Fans of Cardinals, Bleech 9:3 and Wunderhorse should find plenty to enjoy.

Doors open at 20:00 and the concert starts at 20:30. Tickets start at €22.50, including €2.50 in service fees. General ticket sales open on Friday 20 November 2026 at 11:00.
