LantarenVenster presents IN THE ROUND: Y-Otis

During In The Round at LantarenVenster, experience live music up close like never before. The band performs in an unusual setup: positioned in the middle of the venue among the audience. This immersive experience draws you into the band's world. Before and after the concert, a DJ will provide music, with drinks available at the bar in the hall.

The futuristic Berlin-based jazz collective **Y-Otis**, led by Swedish saxophonist **Otis Sandsjö**, is among the most innovative genre-crossing jazz groups. Otis founded the band in Berlin and has released three albums via We Jazz Records. His music falls under the 'nu jazz' genre, though Otis' unique style is better described as an 'audio mosaic'. He blends jazz with electronica and sampling, creating hypnotic saxophone riffs, fragmented jazz arrangements, and fluid funk beats.

A live Y-Otis concert is a mesmerising experience that lifts you off your feet — both figuratively and literally.
