Description

International magic spectacular The Illusionists comes to Nieuwe Luxor Theater in Rotterdam on 9 and 10 December 2026, returning for three more performances on 13 and 14 March 2027. Starring Dutch illusionist Hans Klok, this production brings together some of the world's leading magicians for an evening of spectacular illusions, daring escapes and astonishing feats of skill.

After successful runs in New York, Las Vegas and London, The Illusionists arrives in the Netherlands in a production associated with Cirque du Soleil Entertainment Group. For this special edition, Hans Klok shares the stage with internationally acclaimed performers specialising in different forms of magic.

Meet the illusionists

The cast includes Hans Klok, known for his lightning-fast illusions, alongside mentalist Niels Houtepen, daredevil Aaron Crow, comedy magic duo Scott & Muriel, manipulation specialist Zippo Guo and magician Dann Stevens.

Each performer brings a distinctive approach to the art of illusion. From mind-reading and elaborate escape acts to visual tricks, sleight of hand and unexpected moments of comedy, the show combines multiple disciplines into a single theatrical experience.

Rather than presenting a conventional series of separate magic acts, The Illusionists brings its performers together in a production built around suspense, precision and visual spectacle. Every illusion unfolds live on stage, with no camera tricks or second takes.

Magic Seats and exclusive experiences

Visitors looking for an additional experience can book a Magic Seat package, which includes premium seating and access to the exclusive Salon de Magie.

Here, two performers demonstrate close-up magic in an intimate setting, accompanied by a specially prepared drink and a small refreshment. The package also includes a personal meet and greet with Hans Klok.
