When	Sun, 28. December 2025, 20:00 h
Category	Live Music in Rotterdam

Description

For fans of: Osees, King Krule, Tropical Fuck Storm

Loveth Besamoh is a Rotterdam-based producer and songwriter with Cameroonian roots. His musical journey began in church and boarding school, where he learned percussion at a young age—a rhythmic foundation still present in his work today. His sound floats between new wave, krautpunk, and an eclectic blend of electronica, afro rock, jazz, post-punk, and soul. Psychedelic textures and personal twists give his music a distinct identity, always hinting at his heritage.

Originally a solo project, Loveth's music has evolved into a four-piece live band. On stage, the experience intensifies—from introspective King Krule vibes to the raw bursts of Death Grips. Loveth Besamoh isn't easily boxed in. He bends genres at will, crafting a spiritual, genre-defying performance that lingers long after the last note fades.
