Description

Australian-American duo For King & Country, also known as brothers Joel and Luke Smallbone, bring their arena-sized sound to Rotterdam in 2026. Renowned for their sweeping anthems and heartfelt performances, the pair have steadily risen to become one of the most popular acts in contemporary Christian music. Their shows are marked by powerful staging, emotional storytelling and songs that resonate with audiences far beyond their genre.

Having collaborated with icons such as Michael W. Smith, the Smallbone brothers continue to expand their reach with music that draws comparisons to Imagine Dragons, OneRepublic and Coldplay. Their cinematic sound, both intimate and explosive, has made them festival favourites worldwide.

The evening will open with Josh Baldwin, the American singer-songwriter celebrated for his worship-driven pop. Baldwin recently released his acclaimed album Made For More, and his live shows combine soaring vocals with modern arrangements.
