Event - Clean Pete's kerstshow

When	Thu, 10. December 2026, 20:30 h
Category	Live Music in Rotterdam

Description

Ring the bells and cue the glitter: **Clean Pete's kerstshow** returns to Rotterdam with a fresh edition of the sisters' now-beloved festive spectacle, staged at **Theater Rotterdam** on Schouwburgplein. After earlier editions at LantarenVenster, Loes and Renée Wijnhoven bring their Christmas obsession back with a brand-new show packed with guest artists from across musical genres, switching between philosophical reflection, classical touches, and full-on glamorous musical chaos.

Rotown describes it as a revue where "the holy and the chaotic" sit side by side: a choir sings, the band rocks, and the show makes room for both laughter and a sting of pain. The night is organised by Rotown, LantarenVenster, Motel Mozaïque Concerts and Theater Rotterdam, with **both standing and seated places** (unreserved).
