When	Fri, 22. May 2026, 21:00 h
Category	Live Music in Rotterdam

Description

Since 2015, Gidiki is on a succesful conquest with their experimental Greek folk music. In the past, they blew us away with magnificent shows at GROUNDS and now they are coming back to smoothly repeat those great nights! Each live performance serves as an opportunity for experimentation with traditional musical forms and rhythms, as well as for establishing a dynamic relationship with the audience, creating the conditions for a contemporary “urban celebration.” After shows at all major festivals in Greece and several tours in Europe, they are now coming back to GROUNDS to let us enjoy their Greek folk with a twist.

Grounds is a vibrant platform where audiences can experience groundbreaking music from emerging and renowned international artists across diverse genres. The venue hosts weekly concerts featuring styles ranging from Turkish folk to Afro beats, Latin to Sahara blues, providing a rich tapestry of global sounds.

Beyond live performances, Grounds actively contributes to the cultural climate of Rotterdam West by offering a stage for local talents and organising community events. They are also developing a second stage, Lab Grounds, in the historic HBS building in the city centre's Oude Westen district, aiming to transform it into a significant creative hub for musicians and dancers.
