Description

New album tour lands at LantarenVenster

After five years away, California trumpeter and composer **Ambrose Akinmusire** returns to Rotterdam with a quartet and a fresh chapter of music. Expect a set that keeps stretching the edges of modern jazz, with colours borrowed from hip-hop, pop, spoken word and even classical music, all woven into something distinctly his.

Akinmusire is a **Thelonious Monk International Jazz Competition** winner, studied with legends like **Herbie Hancock** and **Wayne Shorter**, and has collaborated with artists including **Esperanza Spalding**, **Jason Moran** and **Snarky Puppy**. You might also recognise his playing from Kendrick Lamar's To Pimp a Butterfly. Critics have long pointed to him as one of the strongest voices in contemporary jazz, and this concert is a great chance to hear why.
