Tender

Event - Tender ↻

When	Sat, 3. October 2026, 21:30 h
Category	Live Music in Rotterdam

Description

British electroduo **Tender** bring their atmospheric synth and electropop to Rotown, pairing calm, intimate vocals with catchy melodies that are built for late-night rooms. The London-based project started as a bedroom collaboration between housemates James Cullen and Dan Cobb, and quickly found a bigger audience when early releases began travelling fast on streaming platforms, leading to a deal with **Partisan Records**.

If the name rings a bell, you might have heard Tender's music in the TV series How to Get Away With Murder, as well as in the Netflix film To All the Boys I've Loved Before and the series Never Have I Ever. In Rotterdam, the duo are set to present their upcoming album, while recent material includes the January 2026 EP Strong Enough. Expect a polished, emotional pop sound with touches of R&B and electronic shimmer, a good fit if you're into The xx, HAEVN, or Weval. A suggested track is Gravity/Infinity.
