

Lakecia Benjamin

Event - Lakecia Benjamin 🎷

When	Sat, 20. June 2026, 20:30 h
Category	Live Music in Rotterdam

Description

Saxophonist and bandleader **Lakecia Benjamin** brings serious firepower back to Rotterdam. Expect gold outfits, explosive improvisation, and a spiritual edge that never feels polite. She made her name by diving head-first into the world of **John and Alice Coltrane**, and the breakthrough album Pursuance: The Coltranes (2020) confirmed what plenty of jazz fans had already clocked: she's one of the standout sax voices of her generation.

If you caught her at **NN North Sea Jazz 2023**, you already know how hard she can hit a stage. Even a heavy car accident in 2021 did not slow her down; she channelled that moment into Phoenix (2023), an album that earned **three Grammy nominations**. This show is billed as her return to LantarenVenster after four years, with new music in the bag, plus that fearless energy that makes her sets feel like a full-body reset.
