

The Rions

Event - The Rions

When	Sun, 17. May 2026, 20:30 h
Category	Live Music in Rotterdam

Description

The Australian band **The Rions** bring their hook-packed indie pop to **Rotown** on **Sunday 17 May 2026**. They broke through via **triple j Unearthed High** and quickly grew into a live favourite back home, before taking that momentum to the UK and Europe.

Their sound sits between indie and pop, with a bright, guitar-led pulse and the kind of choruses that stick after one listen. If you're into acts like **Royel Otis**, **Sam Fender**, **The Kooks**, **The 1975**, or **Wunderhorse**, this one should land nicely. Their debut album is **Everything Every Single Day**, and the band's calling card is a show that moves fast and keeps the room with them.
