Jon Allen & The Luna Kings

Event - Jon Allen & The Luna Kings ↻

When	Sat, 31. October 2026, 21:30 h
Category	Live Music in Rotterdam

Description

Jon Allen & The Luna Kings return to **Rotown** on 31 October with a sound that leans into heartland rock, British soul, and rootsy Americana. Allen’s voice is described as powerful, soulful, and rough around the edges in exactly the right way, the kind of whisky-soaked vocal tone that gives the songs grit without losing warmth. Backed by the Luna Kings, he brings a full band sound that is built for a live room rather than polite background listening.

Although Allen has been active on the international americana and roots circuit for years, the listing suggests his music still manages to surprise. It points to earlier sold-out success at Rotown, plus a wider reputation built on strong live performances, classic songwriting instincts, and songs that have also found their way into television series and campaigns. Listeners into **Van Morrison**, **Joe Cocker**, **Paolo Nutini**, and the more soulful end of roots rock should feel very much at home here.
