Event - Jadi Peperzak Quartet 🎵

When	Sun, 3. May 2026, 20:30 h
Category	Live Music in Rotterdam

Description

Guitarist **Jadi Peperzak**, winner of the **Conservatorium Talent Award**, brings his quartet to **LantarenVenster** in Rotterdam with music from the debut album Amity. The award is an annual competition for top students from Dutch conservatoires with a jazz department, and the listing makes clear that Peperzak has already been turning heads. His graduation concert with the quartet reportedly earned a standing ovation, and now a wider audience gets the chance to hear those rhythmic surprises and more adventurous compositions for themselves.

Together with his regular band, Peperzak presents a record that came to life partly through a successful crowdfunding campaign. Amity moves between rounded, warm melodies and rougher, more tense passages, with plenty of rhythmic invention in the mix. It sounds like a project that is interested in contrast rather than comfort, which usually makes for a much more rewarding jazz night.
