Cola

Event - Cola ↻

When	Thu, 29. October 2026, 20:30 h
Category	Live Music in Rotterdam

Description

Montreal band **Cola** heads to **Rotown** in Rotterdam with a sharp, tightly controlled take on post-punk that leans into wiry guitars, minimalist structures and a cool, exact kind of tension. The listing places them near bands like **Television**, **Dry Cleaning** and **Gang of Four**, which feels right for music this precise and stripped back, though Cola clearly pushes that lineage in its own modern direction.

The band has played Rotterdam before, appearing at **V11** around the time of their well-received record Deep in View. This time they return on a slightly bigger scale with material tied to their upcoming third album, **Cost of Living Adjustment**. There is also a neat detail behind the name: **C.O.L.A.** stands for “Cost of Living Adjustment”, the economic term for benefit increases linked to inflation, so no, apparently it is not about the fizzy drink.
