She Her Her Hers

Event - She Her Her Hers ↻

When	Tue, 15. September 2026, 20:30 h
Category	Live Music in Rotterdam

Description

Tokyo trio **She Her Her Hers** heads to **Rotown** in Rotterdam with a dreamy, layered sound that drifts between dream pop, shoegaze and a light touch of psychedelia. The result is described as cinematic and immersive, the kind of music that feels built for late-night listening but still holds up in a live room.

What started in the Japanese indie scene has grown into broad success across Asia, where the band now sells out larger venues. With the same hazy, melodic live sound, they are now turning their attention to Europe. The listing points to **Zimmer90**, **The xx**, **Vök**, **Cigarettes After Sex** and **Men I Trust** as reference points, which gives a pretty clear idea of the atmosphere. The suggested track is **Bloody Mary Girl**.

The event page also notes that the band started in **2011**, has released **five albums**, and that this will be their **first time in the Netherlands**.
