Event - Happy camper 🍷

When	Thu, 25. June 2026, 20:30 h
Category	Live Music in Rotterdam

Description

Fifteen years after its première, **Happy Camper** returns to Rotterdam for an anniversary show at **LantarenVenster**. The project around keyboardist **Job Roggeveen** has always felt a little unlike anything else: tender indie-pop songs with traces of chanson, Eastern European influences, and a strong sense of theatrical warmth. Back at the beginning, the set-up featured a rotating cast of singers and even an animated yeti named **Manfred**, which gives you a decent clue that this was never meant to be ordinary.

Since then, Happy Camper has built a rich history with **five albums**, an **Edison**, and appearances at festivals such as **Lowlands** and **Into The Great Wide Open**. For this anniversary concert, regular members including **Leine**, **Bouke Zoete**, and clarinet virtuoso **Edward Capel** will be joined by guest vocalists from across the project's musical past. Expect an evening full of warmth, delicate songs, and the sort of arrangements you can quietly disappear into.
