Event - Good Flying Birds

When	Tue, 16. June 2026, 21:00 h
Category	Live Music in Rotterdam

Description

Indianapolis band **Good Flying Birds** lands at **V11** in Rotterdam with a jangly, low-fi indie sound that pulls from Beat Happening, The Vaselines and Teenage Fanclub. The listing frames them as another curious export from the American Midwest, though in this case the route runs through janglepop, noisepop and a playful kind of emotional scruffiness rather than anything too polished.

They arrive with the new album *Talulah's Tape*, described as a record full of sensitive lyrics from a band that quite clearly does not take itself too seriously. That balance, heartfelt but a bit cheeky, seems to be part of the appeal. There is also a nice backstory here: before Good Flying Birds became a proper band, founder **Kellen Baker** was uploading music and stop-motion videos to YouTube under the name **Talulah God**, originally as a kind of mysterious online persona without a real band behind it.
