Cardinals

Event - Cardinals ↻

When	Sun, 1. November 2026, 20:00 h
Category	Live Music in Rotterdam

Description

Irish band **Cardinals** arrives in Rotterdam with **Masquerade**, bringing a sound that blends shoegaze, folk, pop and poetic punk into something dark, grainy and strangely romantic. The event text describes their songs as shanty-like verses that open into sweeping choruses full of bruised love stories, delivered less like performance and more like confession.

The band is built around family and friendship, with brothers **Euan** and **Finn Manning**, their nephew **Darragh**, and former schoolmates **Oskar Gudinovic** and **Aaron Hurley**. On stage they apparently look a bit like a Warhol experiment in tracksuits, denim and sunglasses, but the music itself is rooted in both urban roughness and rural melancholy. Since their **2024 debut EP**, Cardinals have been marked out as one of the more exciting names in Irish indie rock, and **Masquerade** is presented as a confident next step.
