Cato van Dyck & Anton Goudsmit

Event - Cato van Dyck & Anton Goudsmit ↻

When	Thu, 17. September 2026, 20:30 h
Category	Live Music in Rotterdam

Description

Two Dutch musicians with serious range and stage presence come together at **LantarenVenster** for a concert that promises intensity, freedom and a set full of gems. **Cato van Dyck**, known from **My Baby**, brings the voice and musical curiosity that helped take that band from Dutch stages to festivals such as **Glastonbury**, **Lowlands** and **Pinkpop**. In this duo setting, her singing, bass, piano and broader roots palette meet a more stripped-back but no less adventurous format.

Alongside her is **Anton Goudsmit**, widely seen as one of the most original guitarists in the Netherlands. The listing describes his playing as creative, bold, playful and always alert, the sort of musician who can shift rhythm and colour without warning. Together, the two blend roots, soul, pop, jazz and folk into something organic and intuitive. The text leans into that chemistry quite strongly, with both artists quoted as describing the collaboration as something freeing, instinctive and almost wing-giving.

This looks less like a polite sit-down pairing and more like two musicians pushing each other into new space.
