When	Fri, 25. September 2026, 21:30 h
Category	Live Music in Rotterdam

Description

Jesse Hoefnagels heads to **Rotown in Rotterdam** with a live show shaped by contrast, moving from vulnerability to euphoria and from night into day. Across the paired EPs Wakker in het donker and Dichter bij de dag, the Rotterdam artist builds a sound that feels raw, personal and made to move to, somewhere between electronic pop and club music.

Live, that material is translated into an energetic set with emotional weight as well as momentum. Hoefnagels has already appeared at festivals such as **Lowlands**, **Into The Woods** and **ESNS**, and this hometown show places him on the Rotown stage at a moment when his profile is clearly growing. For listeners drawn to Dutch alternative pop with a direct, danceable edge, this promises a strong night.
