

Melina

Event - Melina

When	Fri, 8. May 2026, 21:00 h
Category	Live Music in Rotterdam

Description

Greek artist **Melina** brings her distinctive blend of traditional sounds and modern pop to **Grounds in Rotterdam**. Still at an early stage in her career, she is already being presented as an artist with a strong identity, one who approaches music with curiosity, openness and a willingness to experiment. Her voice sits at the centre of it all, drawing listeners into songs that feel playful, intimate and slightly otherworldly.

Her self-titled debut EP sketches out a musical world where Greek traditions meet a more urban and contemporary pop sensibility. That combination gives her work a poetic, lightly magical quality without losing its directness. In a venue like Grounds, this should make for a concert that feels close, atmospheric and full of promise, the kind of show that introduces an emerging artist just as her wider profile starts to grow.
