## Description

Pebbledash returns to Rotterdam for a show at **V11**, following an earlier appearance in the city during Left of the Dial 2025. The five-piece from Cork brings a sound shaped by shoegaze, noiserock, dreampop, post-punk and occasional traces of folk, giving their songs both weight and texture.

The band comes to V11 with the new EP **To Cast The Sea in Concrete**. While many shoegaze acts bury vocals deep inside the wall of sound, Pebbledash puts more emphasis on poetic writing and shifting vocal lines. That gives their music a slightly more narrative edge, while still leaving plenty of room for haze, distortion and atmosphere.

For fans of **Big Thief**, **my bloody valentine** and **Horsegirl**, this should be a strong late-night pick: intimate, noisy, melodic and just scrappy enough to feel alive.
