Duendita brings intimate soul and jazz-tinted R&B to V11

New York artist duendita comes to Rotterdam for a special V11 x BIRD show on Sunday 31 May 2026. The Queens-born singer, songwriter and producer moves through soul, jazz, R&B and piano-led soundscapes, creating music that feels warm, vulnerable and quietly powerful.

The Rotterdam show follows the release of her new album *existential thottie*, which is expected at the end of April. The project opens a more personal chapter for duendita, with songs shaped by late-night recording sessions, deep basslines, live drums, harp, keys and vocals that float between softness and emotional weight.

For listeners who like their soul a little dreamy, a little wounded and very human, this should be a lovely one. Expect songs that sit somewhere between melancholy and healing, with a live sound that turns private thoughts into something shared in the room.
