Donna's Hot Stuff brings the glitter, groove and vocal fire of Donna Summer to Nieuwe Luxor. Led by Irma Derby, known as the Dutch Queen of Soul, the 13-piece powerhouse formation pays tribute to one of disco's defining voices with a full live show built around Summer's most iconic hits.

The concert celebrates the Queen of Disco with songs such as Hot Stuff, Bad Girls, I Feel Love and Last Dance. Irma Derby brings the vocal strength, soul and stage presence needed for this repertoire, while the band adds backing vocals, brass, percussion, keys and dancers to give the music its full theatrical lift.

The show arrives in Rotterdam after Donna's Hot Stuff became one of the winners of The Tribute: Battle of the Bands, season 5. Expect a glamorous evening of disco, live musicianship and high-energy nostalgia, with the dancefloor spirit of Donna Summer brought back to life on the theatre stage.
