The Apers

Event - The Apers ↻

When	Fri, 9. October 2026, 19:15 h
Category	Live Music in Rotterdam

Description

The Apers celebrate 30 years of punk-pop with a full anniversary show at Rotown, together with Stardumb Records. The Rotterdam band has spent decades flattening venues with fast, loud and sharply melodic punk songs, and this hometown celebration looks set to become a proper punk marathon.

They are not coming alone either. The line-up includes three special guests: **Accelerators** from Rotterdam, **The Priceduifkes** from Belgium and **Maladroit** from France. Together, they turn the evening into a cross-border blast of punk, punk-pop and no-nonsense guitar energy.

Fans of **Ramones, The Dead Milkmen, Descendents and Screeching Weasel** should feel very much at home here. Ticket sales are already moving fast, so this is one to jump on quickly. For a first listen, try **Whatever It Takes**.
