Description

Hello Darkness brings Rotterdam’s underground to De Doelen

Hello Darkness presents brings Gothiqa, Teardrinker and Camy Huot to the Eduard Flipse Zaal for an evening of raw, alternative and dark-edged music. De Doelen describes the programme as a meeting point for music, performance, alternative culture and nightlife, rooted in the DIY and gothic culture around Hello Darkness.

For its first edition, Hello Darkness has invited Rotterdam band Teardrinker, whose heavy sound draws from black metal, screamo, post-hardcore and sludge. The listing also names Gothiqa and Camy Huot, making this a compact but intense programme for listeners who prefer their music a little darker around the edges.
