Martin Luke Brown

Event - Martin Luke Brown ↻

When	Thu, 12. November 2026, 20:30 h
Category	Live Music in Rotterdam

Description

Martin Luke Brown brings his soulful mix of indie pop, lo-fi and bedroom pop to Rotown. The British songwriter and producer from Leicester has worked with artists including BTS, Lizzy McAlpine, Yungblud and Jacob Banks, while also being part of the indie collective FIZZ, alongside artists such as dodie and Orla Gartland.

His music carries a warm, sunlit feel, blending 1960s nostalgia with modern indie-soul and soft, intimate pop textures. This autumn, he releases his third album life & death etc., a record that looks set to deepen that blend of vintage warmth and contemporary songwriting.

Fans of **Angus & Julia Stone, Unknown Mortal Orchestra, Mac DeMarco and Bruno Major** should find plenty to enjoy here. For a first listen, try **hello !**.
