Event - Lone Wolf & Eaten By Snakes

When	Sat, 22. August 2026, 21:15 h
Category	Live Music in Rotterdam

Description

Lone Wolf and Eaten By Snakes come to Rotown with a punk-rock tribute to The Body, The Blood, The Machine by The Thermals. Exactly twenty years after the album's release, the two bands mark the anniversary with a special evening of punk rock, friendship and shared admiration.

The show also celebrates the release of a split 7-inch by Lone Wolf from Rotterdam and Eaten By Snakes from Bielefeld. On that record, both bands cover The Thermals classic A Pillar Of Salt. The connection between the two bands goes back to a 2019 show at V11, where their mutual love for that song quickly turned into a creative spark.

Expect two full sets with original material, plus a heartfelt nod to one of the most beloved punk rock albums of the century. Fans of **The Thermals, Ramones and The Menzingers** should feel right at home.
