Event - The Reytons [↗](#)

When	Fri, 19. February 2027, 20:00 h	
Category	Live Music in Rotterdam	

Description

The Reytons bring their high-energy indie rock to Annabel, following earlier sold-out Rotterdam shows at Rotown and Maassilo. The Sheffield band has become one of the UK's most talked-about guitar acts, with a sound rooted in uptempo riffs, sharp hooks and the raw swagger of their hometown.

Their live shows have helped turn them into a serious force, especially in the UK, where the band has scored number one albums, sold-out concerts and festival headline slots. Their music carries the early bite of Arctic Monkeys, with snarling guitars, big choruses and lyrics that sketch out adult life in all its messy extremes: chaotic nights, broken relationships and the thin line between glory and collapse.

With new album A Love Letter To A Broken Town and a world tour ahead, The Reytons look ready to push their rise even further. Fans of **early Arctic Monkeys, Hard-Fi, DMA's and Sam Fender** should feel right at home here.
