

Andromeda: Higherlife x Kwame Yeboah x Candy Dulfer

Event - Andromeda: Higherlife x Kwame Yeboah x Candy Dulfer

When	Wed, 17. June 2026, 19:00 h
Category	Live Music in Rotterdam

Description

BIRD turns into a musical ode to Ghana as Andromeda brings together makers from the Netherlands and beyond for an evening of music, culture and community. This edition focuses on **Highlife**, the iconic Ghanaian genre where African rhythms, soul, jazz and funk meet.

The evening starts with a talk about Ghanaian culture, art, music and community. After that, the music takes over with a live concert by **Higherlife, Kwame Yeboah and Candy Dulfer**, followed by a large joint jam session where everything comes together.

Expect deep grooves, warm energy, thoughtful conversations and a room moving to the rhythm of Highlife. Visitors can choose between a separate ticket for the talk or a full evening ticket including the talk, concert and jam.

Description

BIRD is a vibrant venue in Rotterdam's Hofbogen district, seamlessly blending a restaurant, club, and stage under one roof. Established in 2011, it has become a cultural hub, deeply rooted in jazz while embracing genres like soul, funk, hip-hop, and electronic music.

The name 'BIRD' pays homage to the legendary jazz saxophonist Charlie 'Bird' Parker, reflecting its commitment to jazz and related musical styles. The venue offers a diverse programme featuring both local emerging talent and international artists, making it a go-to spot for cultural enthusiasts.
