

Isabèl Usher

Event - Isabèl Usher

When	Thu, 10. December 2026, 20:30 h
Category	Live Music in Rotterdam

Description

Isabèl Usher comes to Rotown with a new album that pushes her pop, R&B, hip-hop and dance sound into bigger, more explosive territory. Born in England and based between Dutch and UK influences, she combines energetic electronic production with a distinctive voice and personal storytelling.

Her new work digs deeper than before, and the result is music that feels both intimate and ready for the stage. The more personal the songs get, the harder the production seems to hit. Cheeky, but effective. 

Usher started writing and singing on international dance tracks at the age of 16, later co-writing several Dutch hits before breaking through as a solo artist. She is now a multi-platinum artist and has performed at Eurosonic Noorderslag, Paaspop and Lowlands.

Fans of **S10**, **Sigma**, **Tabitha** and **Rudimental** should keep this one close. Start with Ik Kom Weer Thuis.
