

Kirk Franklin World Tour

Event - Kirk Franklin World Tour 🎫

When	Thu, 11. September 2025
Category	Live Music in Rotterdam

Description

Some artists reach the top of their genre. Some transcend genres entirely. Then there are those like Kirk Franklin, who redefine the very idea of musical boundaries. A true pioneer, Franklin broke barriers by blending gospel with hip-hop, soul, and R&B, making gospel more popular than ever. Now, he brings his electrifying performance to the Netherlands, taking the stage at RTM Stage on September 11 for an unforgettable night in Rotterdam.

Energizing Performances

Ask anyone—choir singers, gospel fans, rappers—and they'll name a favorite Kirk Franklin song with enthusiasm. Whether it's crowd favorites like Revolution and Stomp, or uplifting anthems like I Smile and Wanna Be Happy?, every Kirk Franklin concert is a high-energy experience. Known for his ability to ignite a crowd, Franklin ensures that by the end of the night, everyone is singing at the top of their lungs and moving to the music.

Father's Day

During his last visit to the Netherlands, Franklin shared the stage with Maverick City. This time, on September 11, the spotlight is entirely on him, and the audience can expect a full evening of music from his extensive repertoire. His latest album, Father's Day, is deeply personal, as Franklin, who was adopted as a child, used the project to share his emotional journey of reconnecting with his biological father.

Expect a night filled with choir harmonies, hip-hop beats, and gospel anthems that will leave you smiling. Kirk Franklin returns to the Netherlands, and it's a must-see event.
