Description

Holiday on Ice brings Cinema of Dreams to Rotterdam Ahoy with a large-scale ice show full of film, friendship and theatrical spectacle. The story begins in an old cinema, brought back to life by three friends who start making films and become the stars of their own screen adventure.

Across two hours, the 37-member cast moves through a range of film genres, from high-energy action to romantic comedy and sparkling science fiction. The show combines figure skating, video projections, music and stunts, turning the ice into a cinematic world where each scene feels bigger than the last.

The international skaters are at the centre of the production, showing why Holiday on Ice has remained one of the best-known ice show companies in the world. Expect fast movement, visual drama and a family-friendly show with plenty of big-screen fantasy.
