Description

The Ashton Brothers return to Rotterdam Ahoy with the third edition of their Christmas circus, bringing a new festive show full of wonder, spectacle and their trademark mix of poetry, chaos and warmth.

Inside this Christmas world, lights guide the way, music leads to unexpected adventures and almost nothing goes exactly as planned. Acrobatics, live music and strange circus figures come together in a show designed for several generations at once, with grandparents, parents and children sharing the same sense of surprise.

Together with international top acts, the Ashton Brothers create a Christmas performance where circus, theatre and music meet. Expect flying acrobats, playful visual moments, and the kind of festive mayhem that makes the impossible feel briefly very normal.
